FORT WAYNE BIBLE COLLEGE
FORT WAYNE, INDIANA

What is Christian Education? It is the ultimacy which recognizes Jesus Christ. It is He, as God and Saviour, Who is the source and object of the Christian religion. He is its Master. It is He Who saves in every sense of the word. And as the Author of the Christian ethical ideal it is His precept and example which sets the personality pattern for the Christian. In His person we find the sufficient norms and motives for the out-look and procedures of Christian education.

Its basic purpose could be summed up in terms of *discipleship with Him*. Its basic subject matter surrounds His life and teaching. Its methods are directed by His ways. The dynamics are provided by His indwelling Spirit. His truth is THE TRUTH; His way, THE WAY; His life, THE LIFE.

DEDICATION:

DR. FRANCES SIMPSON

Your lives have symbolized to us this discipleship with Christ.
Not merely in the words you say, Not only in your deeds confessed,
But in the most unconscious way is *Christ* expressed.
For us 'twas not the truth you taught, To you so clear, to us so dim,
But when you came to us you brought a sense of *Him*,
And from your eyes *He* beckons us, And from your heart *His* love is shed,
Till we lose sight of you and see the *Christ* instead.
What is Christian Education? It is you, "Dr. Frances" and "Dr. Edward
Simpson." And it is to both of you, that we dedicate this "1964 Light Tower."

PRESIDENT,

JARED F. GERIG

. When students arrive at Fort Wayne Bible College, their potential is evaluated in terms of a lifetime of service to Jesus Christ. It is difficult to fully comprehend the latent powers, gifts, and talents of four hundred and thirty-eight young people such as enrolled at the college this year. It is our hope that in the process of growth and development, acquirement of knowledge and skills, and stabilizing of Christian experience and faith, at least four spiritual objectives shall have been reached:

1. They will have a *message* for the world, a world that is desperately in need of the good news of salvation.

2. They will have experienced a might, or they will have been "strengthened with might by His Spirit in the inner man." They shall have been filled with the Spirit.

3. They will possess a sense of *mission* and go out to serve the world in response to the call of God. The church and the world waits for men and women of destiny who move at the command of God.

4. They will have demonstrated a measure of *maturity* involving a sense of values, sound judgment, clear conceptions of right and wrong, dedication of life and unselfishness of spirit, ability to communicate truth, and a love for God and men.

The door-way to Christian growth and development.

IN MEMORIAM

1911—Harold D. Pollitt—1963

1907—Maurice M. Rupp—1963

*Two seeds were planted;
The Planter with great care
Placed them beside the waters—
They found refreshment there.*

*Two seedlings grew;
Stretching upward to the skies
They drank from sunshine and rain
Life's strength which in these lies.*

*Two young trees stood;
Beside the waters they did grow,
And to creation and the creature
The leaves of beauty did they show.*

*Two great trees bent;
Not with the blows of mighty force
But bearing fruit their stature thus
Was spent in strong enduring course.*

*Two fruitful trees replenish;
The seed is dropped—roots remain
In fertile ground thus reaching out
The younger seedlings to sustain.*

*Thank God for those two seeds!
How wondrous yet to see
Except a seed be sown beneath
It cannot a fruit tree be.*

BIBLE

The objectives of this department are: (1) to give the student a working knowledge of the Bible as God's divine self-revelation for his own edification and his strengthening of others; (2) to help him achieve a doctrinal balance, so essential to symmetrical Christian character and effective Christian service; (3) to impart to him the techniques of effective Bible study; (4) to impress him with the central place which Biblical studies should occupy as the integrating factor not only in the whole college curriculum, but also in his entire Christian life; (5) to develop the Christian character of the student; and (6) to give the student motivation for additional Bible study on a private basis. Two programs are offered by this department. The Bachelor of Arts program with a major in Bible and Theology designed to be a pre-theological course preparatory for seminary. The Standard Bible Course is a three-year course also offered.

PROFESSOR WESLEY GERIG, CHAIRMAN

New office, but the same old Wes!

" . . . but in the Greek, this is a present tense action; it goes on, and on, and on . . . "

CHRIST—proclaimed throughout the world, by every possible means, in music, in Scripture, in deed.

CHRISTIAN EDUCATION

"They interest us," . . . we must interest them. How? The task of the Christian Education Department is to prepare students to so teach the Word of God that pupils (children, youth, and adults) will give attention and respond to Truth. The method used may be puppets or other visuals, buzz groups or other discussion methods. The goal is ever the same—changed lives—to so teach that men may accept Christ as Savior and Lord of life.

The vocational purpose of the department is: to prepare Christian education directors, children's or youth workers; to contribute to the preparation of pastors and missionaries; to provide basic instruction for those who will be lay leaders in the church.

The ultimate goal is "Christ Pre-eminent" in all things—message and methods of teaching.

THEY interest us, but can WE interest *them*?

Maybe—with a few visuals, like PUP-PETS!!

Why, even COLLEGE students like puppets!!

MISSIONS

The primary purpose of the missionary program is to prepare students for Christian service in mission fields at home and abroad.

The objectives in this program are: (1) to aid the student in developing a Christian philosophy of missions based on New Testament teaching; (2) to acquaint him with the history and methods of the expansion of Christianity; (3) to provide an orientation which will give him an understanding of and appreciation for non-Western cultures as a basis for cross-cultural communication; (4) to instill in him the realization of the necessity for indigenous church principles; and (5) to help him develop certain essential skills in this field.

Students are prepared for various fields of the world and may either start immediately on their work or go on to further their education in missionary work.

PROFESSOR TIMOTHY WARNER, CHAIRMAN

EXTENSION STUDIES

PROFESSOR WELDON KLOPFENSTEIN, CHAIRMAN

"... and I

was a Methodist!!"

One department that is seldom spoken of and yet is quite important and worth-while in our school, is the extension department. Here are made available courses from all phases of the college Christian Ministries department. Professor Klopfenstein "teaches" through correspondence those students who are not able to live on campus or who have conflicts with other classes. Any one student is able to take up to fourteen hours in correspondence work per semester for credit.

Two degrees are offered in this field: Bachelor of Arts with a major in Pastoral Training, and Bachelor of Theology.

Included in the objectives of this department are: (1) assisting the student in acquiring the personal qualifications for the pastoral office; (2) helping the student obtain a knowledge of the Word of God adequate for his calling; (3) instructing in principles and methods for an effective pastoral ministry; and (4) developing skills enabling the student to administer the teaching, training, worship, service, and business activities of the church.

DIVISION OF ARTS AND SCIENCES

The curricula in this division are designed to contribute to the general education of all students and to the professional preparation of students in the fields of Music, Social Science, and Teacher Education.

The objectives of this section include: (1) providing a core of educative experiences commonly conceived as general education in keeping with the general objectives of the college with Christian connotation; (2) providing professional programs in the field of church music, social science, and speech; (3) providing programs in teacher education in fields of music, education, and speech; (4) providing a program of health and physical education for all students; (5) acquainting each student with and deepening his appreciation for his cultural heritage through a general study of natural sciences, social sciences, and humanities; and (6) contributing to the development of Christian personality in the students awaken in him a clear sense of mission and dedication of himself to Jesus Christ in the service of mankind.

Programs of study are provided for the student in the fields of elementary education and music education. Opportunities are provided for the student in his last year of teacher training to actually teach in the schools of the Ft. Wayne area and thus put to use in practical experience that which he has learned in his four years of training. The teacher training organization of the college is the Student Education Association.

TRACK AND GOLF

I N T R A M U R A L S

The intramural program this year has given the individual an opportunity to participate in many athletic events. All students are members of the four intramural teams: Athenians, Lancers, Olympians, and Spartans. The football season was particularly exciting with the Spartans winning on the final day. Each team mounts up points on each event which are applied at the end of the year toward the trophy which is awarded to the over-all winner.

GREETINGS & CONGRATULATIONS—
TO THE CLASS OF '64

As we join you in your prayer for God's guidance in the life work you
will soon be undertaking, may we quote this timely word about
Christian service, from a message by the late Dr. A. W. Tozer:

*"The call to witness and serve comes to every Christian; the call to be
a Voice comes only to the man who has the Spirit's gift and special
enabling.*

*"We need not fewer men to show mercy, but we need more men who can
hear the Words of God and translate them into human speech."*

The Avalon Missionary Church, 7120 Premier Drive in Fort
Wayne, has been the home church to many students at FWBC.
The ministries of the students have been greatly appreciated.
We hope that fellowship at Avalon may have added the spiritual
dimension to college life that has helped to sustain the
student for the present and will strengthen him in the future.

THE MISSIONARY CHURCH ASSOCIATION

NATIONAL HEADQUARTERS
3901 South Wayne Avenue
Fort Wayne, Indiana

The founders of the Missionary Church Association, which had its beginning in 1898, were impelled by a three fold vision:

1. That of carrying the Gospel of Jesus Christ into all the world to the end that men might be saved;
2. That of a home constituency in the United States which would support and give stability to the foreign missionary program.
3. That of a school to train ministers and missionaries for both the home and foreign programs.

Fort Wayne Bible College
(New South Campus—Now being developed)

In fulfillment of this vision, the M.C.A. founded F.W.B.C. in 1904 and together they have grown to a place of world-wide influence in helping to fulfill the Great Commission of Christ.

After 27 years in the pastorate, health problems hindered continuous service of this kind. We became busy pinch hitters, and to supplement our income we started this business. The Lord and His people have been good to us and we are thankful.

EPILOGUE

TREES

*I think that I shall never see
A poem lovely as a tree.
A tree whose hungry mouth is prest,
Against the earth's sweet flowing breast;
A tree that looks at God all day,
And lifts her leafy arms to pray;
A tree that may in summer wear
A nest of robins in her hair;
Upon whose bosom snow has lain;
Who intimately lives with rain.
Poems were made by fools like me
But only God can make a tree.*

By Joyce Kilmer
